DESTINY · TURN DIRECTION INTO A PLAN

Twelve-Month Vision Plan

Choose one meaningful contribution for the next year. Make the plan small enough to act on, clear enough to review, and flexible enough to learn from.

Name: _____ Start date: _____ Review partner: _____

1 · Describe the direction

Who will benefit? What need will you address? How does this fit your values, strengths and present responsibilities?

2 · Define one observable outcome

By _____, I intend to _____

Evidence of progress I can collect: _____

3 · Break the year into four stages

Stage	Milestone / useful result	Evidence and review date
Months 1–3		
Months 4–6		
Months 7–9		
Months 10–12		

The first 90 days

The smallest useful result I can complete: _____

The first action, owner and date: _____

DESTINY · BUILD A SUSTAINABLE RHYTHM

Protect time. Review. Adjust.

4 · Plan a realistic week

Account for your existing commitments before adding new ones.

Action / practice	Day and time	Minutes per week

Total planned time: _____ Available time: _____ Adjustment: _____

5 · Make room and seek support

One activity I will stop or reduce: _____

A constraint or risk to address: _____

Support I need, and whom I will ask: _____

What I can change if this plan becomes unrealistic: _____

6 · Review every quarter

Book four review dates now: _____

At each review, record the result, evidence and next adjustment.

What happened?	What did I learn?	Continue, change or stop?

My commitment for this week

I will _____ by _____. I will review it with _____ on _____, using _____ as evidence of progress.

A changed plan can be a sign of learning. Keep completed reflections private and share only what you choose.
